Fuel their potential

Milk is excellent as a mid-morning drink. It provides a nutritional boost and keeps children hydrated between breakfast and lunch, helping them to concentrate and learn. Here are five ways that milk fuels children's potential...

Register your child for school milk

If your child is under five...

1. Register your child online at www.coolmilk.com/register.
2. If you register before 5pm on a Tuesday, your child will start receiving milk from the following week.
3. Your child will start to gain all the nutritional benefits from a daily serving of chilled milk in the classroom.

Pay for your child's school milk

If your child is over five...

1. Register your child online at www.coolmilk.com/register.
2. Milk usually costs around £18 a term. By registering online, you'll be able to make a payment straightaway. If your payment is received by 5pm on a Tuesday, your child will receive milk the following week.
3. Your child will start to gain all the nutritional benefits from a daily serving of chilled milk in the classroom.
